EDUCATION

Ladoke Akintola University of Technology

B.Sc. Computer Science

Axia Africa

Backend Engineering

Ogbomoso, NG

2020 – 2025

Remote

May 2025 – Nov 2025

PROFESSIONAL EXPERIENCE

Frontend Developer

Sovereign Technologies and Innovations LTD.

- Collaborating with backend engineers to integrate RESTful APIs and ensure seamless data exchange.
- Optimized application performance and reduced page load times through efficient code practices.
- Used Git/GitHub for version control and collaborated in Agile sprints with cross-functional teams.

Remote

Dec 2025 – Present

Frontend Developer

Alpha Eye

- Collaborated with backend engineers to integrate RESTful APIs and ensure seamless data exchange.
- Optimized application performance and reduced page load times through efficient code practices.
- Used Git/GitHub for version control and collaborated in Agile sprints with cross-functional teams.
- Conducted code reviews and debugging to maintain high-quality, scalable codebases.

Remote

Feb 2025 – June 2025

Frontend Developer Intern

HNG

- Assisted in designing, developing, and maintaining scalable UIs using React and modern JavaScript frameworks.
- Implemented responsive layouts with TailwindCSS, ReactJS, and CSS3 to enhance usability and accessibility.
- Collaborated with backend developers to integrate RESTful APIs and ensure seamless data flow.
- Utilized GitHub Actions for CI/CD pipelines, automating builds and frontend tests.

Remote

Sept 2024 – Nov 2024

Frontend Developer Intern

SQI College of ICT

- Developed responsive, mobile-first web pages using HTML5, CSS3, and SCSS.
- Built interactive user interfaces with JavaScript (ES6+) and React.js.
- Designed and prototyped UIs in Figma, collaborating on wireframes and mockups.
- Customized and managed WordPress themes and plugins, leveraging Bootstrap for rapid development.

Ogbomoso, NG

Mar 2023 – June 2023

PROJECTS (SELECTED)

E-commerce Storefront — React, TailwindCSS

- Developed an online store with secure checkout integration for a local business.
- Created a Firebase auth endpoint and implemented it to ensure credible authentication.
- Handled the carts section and implemented payment gateway functionality.

Personal Finance App — React, Firebase, Responsive Design

- Created a web app for expense tracking with dashboard analytics and mobile responsiveness.
- Implemented Firebase auth endpoints to ensure proper documentation of users.
- Added features allowing users to download invoices in PDF locally.

CORE SKILLS

Frontend Development: HTML5, CSS3, Tailwind, JavaScript (ES6+), React, TypeScript, Next.js

UI/UX Implementation: Responsive design, accessibility, cross-browser optimization

Tools & Collaboration: Git/GitHub, Agile workflows, Node.js, Firebase

Soft Skills: Communication, client collaboration, adaptability, problem-solving
